18 Musick, Peeler & Garrett Attorneys Named "Best Lawyers in America"

Musick, Peeler & Garrett LLP announced today that 15 Partners have been recognized by *Best Lawyers in America* in its 31st edition of *The Best Lawyers in America* and three Associates have been recognized in the fifth edition of *Best Lawyers: Ones to Watch® in America*. In addition, Partner Lawrence Tabb was selected for the prestigious Lawyer of the Year designation. The rigorous selection process of Best Lawyers awards "ensures that the 79,116 honorees in *The Best Lawyers in America* and the 26,916 recognized in *Best Lawyers: Ones to Watch in America* are leaders in their fields" and "are respected by their colleagues, showcasing them as the most distinguished members of the legal community."

"As an industry-driven professional recognition, it is the opinion of lawyers themselves that determines our awards," states the periodical. "We received record-breaking voter participation in this year's editions. With more engagement from the market, the barrier for recognition is higher and more competitive than ever before. This reflects not only the profession's commitment to celebrating professional excellence, but also the increasing importance of every voice in shaping the standards of legal distinction."
