Los Angeles Business Journal - Legal Boom Nigh?

Musick Peeler Partner Jon McNutt quoted in the Los Angeles Business Journal article entitled, "Legal Boom Nigh."

"It's been pretty significant. There's definitely a lot of work out there and I can see this becoming more important for clients in various other industries," said Jon McNutt, a partner at downtown-based Musick, Peeler & Garrett LLP. "Across all of those industries and likely more, I think the traditional labor workload is becoming more intense for both sides. For the attorneys out there, there's a lot of work."
