Partners Alan Zuckerman and Michael Klein recently spoke to a statewide gathering of industry CFOs regarding HIPAA compliance.

Alan and Michael's presentation focused on HIPAA Compliance Strategies to CFOs from California's Regional Centers during their January 2018 meeting in San Diego. The event was hosted by ARCA (Association of Regional Center Agencies), which advocates on behalf of Californians with developmental disabilities and the statewide Regional Center system. The Regional Centers coordinate services for over 300,000 California residents with developmental disabilities.
