

Health Care

Musick Peeler's Health Care Group provides leadership and representation to the evolving system of health care delivery in California. Indeed, Musick Peeler's founders were among the first California lawyers to develop a health care practice in the 1930s as they worked to form the California Hospital Association ("CHA") and Blue Cross of Southern California.

Today, the firm's health care attorneys represent a broad spectrum of the industry including hospitals, physician groups, management companies, HMOs, government health systems, medical equipment and device companies, academic medical centers, foundations and ancillary providers.

Attorneys in the Group are experienced in handling all aspects of health care law, including:

- Fraud & Abuse
- Accreditations, Certification and Quality Assurance
- Anti-Referral Legislation
- Antitrust
- Medical Staff Affairs, Licensure and Consent
- Health Care Corporate Transactions
- Health Care Financing
- Environmental Law and OSHA
- Real Estate Transactions and Leasing
- Medical Technology and ERM
- Labor & Employment
- Litigation
- Third Party Payment Disputes
- HIPAA and Privacy

With locations statewide, our attorneys serve the broad spectrum of organizations involved in the industry. Musick Peeler's health care clients include:

- Hospitals and Integrated Health Systems
- Health Plans
- Physician Organizations
- Surgery Centers
- Academic Facilities
- Tertiary Facilities
- Mental Health, Dialysis, and Ambulatory Care Centers
